

Bergman Academy Enrichment Clubs - Winter 2021

Bergman Academy offers enrichment classes to its students after school from 3:45-4:45 pm. We are pleased to offer the opportunity for students to participate in engaging classes that further stimulate their learning, passions, and experiences. Students will have the opportunity to collaborate with peers of different ages and to interact with a variety of adult teaching staff. Enrichment courses are offered seasonally, with new courses and registration beginning each fall, winter and spring. To register for enrichments, please follow the link: <https://forms.office.com/Pages/ResponsePage.aspx?id=KKoZdFoZBU2xpWalziWudYpxuvt9r8tPqAfr6UQPvjJUMjJUU1ZBQTZJVTkzUTlGMoszNzJNMUooWi4u>

You will need to fill out a form for each student's registration. If you have any questions, please email [Collin Hobson](mailto:Collin.Hobson@bergmanacademy.org) at chobson@bergmanacademy.org.

Important Dates

Enrichment Registration Deadline: December 12th

Enrichment Confirmation Emails: December 20th

Enrichments Begin: January 10th

Enrichments End: Week of March 7th

There are no enrichments on the following days: January 17th, February 4th, 7th, 8th or 28th

Cost

Enrichment classes cost \$125 for 8-week sessions, \$110 for 7-week sessions, and \$95 for 6-week sessions. This can be billed to your monthly invoice or paid directly to Bergman Academy. Snacks Students are encouraged to pack a healthy snack each afternoon. They'll have time between 3:30-3:45 pm to enjoy their snack.

Enrollment

Minimum and maximum class enrollment numbers may apply to certain enrichments. Bergman Academy reserves the right to cancel any program due to lack of sufficient participation. Due to the registration format, there is a chance you'll be able to register for a club that has already met its maximum. If this is the case, you will receive an email within 24 hours letting you know that the club is full. If you don't receive an email, then your registration is complete. If the club you are trying to register for does not show up on the registration form, it is already full and no longer accepting members. Confirmation emails will be sent on December 5th.

Pick-up Policy

Students will be dismissed at 4:45 pm out the front doors, to be picked up at the entrance of the school or in car line. Instructors remain with their students for 10 minutes after the club ends, and all students not picked up by then will then join the After Care program. A \$15.00 charge will be incurred.

Late Registration Policy

Registrations submitted after the stated registration deadline will be charged a fee of \$10 per enrichment club.

Cancellation Policy

Our instructors are extremely dedicated to the enrichment program at Bergman Academy. They spend a lot of time preparing and planning for their clubs. Due to their hard work and preparation, we will be enforcing a cancellation policy this year. Cancellations made 10 days or more in advance of the enrichment session start date, will receive a 100% refund. Cancellations made within 3-9 days will incur a \$50 fee. Cancellations made within 48 hours of the enrichment session start date will be charged full price.

Minecraft Club

Instructor: Kayla Gratton

Day: Monday

Grade Level(s): 1-8

Minimum Participants: 10

Maximum Participants: 24

Tech classroom

Description: *Students will have a safe space to explore Minecraft for Education. Come and enjoy the game of Minecraft with different challenges each week.*

Coding Club

Instructor: Kayla Gratton

Day: Wednesday

Grade Level(s): 1-5

Minimum Participants: 10

Maximum Participants: 24

Tech classroom

Description: *Students will explore block style coding to make animations, games, and use a variety of robots.*

Cooking Club

Instructor: Ms. Christiansen

Day: Wednesday

Grade levels: 3-8

Maximum: 16 students

Ms. Christiansen's Room

Description: *Students will have a hands-on cooking experience. Students will learn to read a recipe, measure ingredients, and use different cooking techniques to make a dish each week. At the end of the club, students will have a cookbook filled with pictures and recipes of the dishes they have made.*

Continental Mathematics League

Instructors: Mrs. Scanlon and Ms. Gilbertson

Day: Tuesday

Grade Levels: 3-8

Minimum: 12 students

Maximum: 32 students

Ms. Gilbertson's classroom

Description: *The Continental Mathematics League is now open for enrollment to students in grades 3-8. This experience is designed to maximize student participation in mathematics and improve problem solving skills. Students will have an opportunity to compete against other students in the same grade level from schools across the United States. We are seeking highly motivated critical thinkers to join us in representing Bergman Academy in these online competitions. Competitions take place each month, between October 26-March 8.*

Photography Club

Instructor: Ms. Christiansen

Day: Friday

Grade level(s) : 4-8

Maximum Participants: 16

Ms. Christiansen's Room

Supplies: Students will need either an iPad or iPhone

Description: *Students will be exploring different photographers and photography skills. Each week, we will have a subject to photograph and edit. Example week themes: Self Portrait, Snow, Close-ups, Emotions, etc. I look forward to showcasing the student's photos around the school after the club is complete!*

Explorer Club

Instructor: Jen Havemann

Day Preferred: Monday

Grade Level(s): 1-8 (Students in grades 6-8 will serve a leadership role.)

Minimum Participants: 9

Maximum Participants: 18

Description: *Enjoy the opportunity to explore this winter! This club will utilize Greenwood Park's 80 acres of land. This is an active group that will build snow forts, hike, geocache, play outdoor games, and complete stewardship projects. Students learn outdoor survival schools and of course celebrate one session with smores and a campfire.*

Nieve Fun

Instructor(s): Jen Havemann & Profe Garcia

Day: Tuesday

Grade Level(s): PS-K

Minimum Participants: 10

Maximum Participants: 24

Description: *Profe Garcia & Ms. Havemann are excited to collaborate during Nieve Fun this winter. Each week students will have the opportunity to explore nature while practicing Spanish vocabulary. If weather is nice (we will abide by Bergman Weather standards) we will go outside and connect with nature making projects and exploring with a Spanish twist. We look forward to a bonfire one week, scavenger hunts, snow play and building and many more. When weather is cold we will stay inside with active learning opportunities.*

Yoga Club

Instructor(s): Jen Havemann

Day: Thursday

Grade Level(s): K-8

Minimum Participants: 9

Maximum Participants: 20

Description: *Excited to bring back this popular winter club helping students to learn and practice mindfulness. With continued efforts to improve mental health and wellness in our society yoga in a proven practice students should instill into their lifetime routines. I am excited to help students learn how and why to recharge through Yoga and Movement! Paired with healthy habits, children will have the foundation to be mindful and active!*

Pre K Boardgames

Instructor(s): Miss Aakre and Miss Isenhart

Day: Monday

Grade Level(s): Pre K

Minimum Participants: 8

Maximum Participants: 16

Description: *Students will learn how to problem solve cooperatively using games such as Out Foxed and Castle Panic. They will also learn about turn taking skill in games like Moose in the House and Catan Jr. Games like Super Why will help with the fundamental reading skills the students will need as they continue with school. These games are set up to teach the skill to the student in a fun and exciting way.*

Baila Club

Instructor: Profe Garcia

Day: Wednesday

Grade level(s) K-3

Minimum Participants: 6

Maximum Participants: 12

Spanish Classroom

Description: *Students will learn steps to popular Latin dances such as Bachata, Merengue, Salsa and even Zumba! Students will immerse in the cultures while also learning some dancing vocabulary in Spanish.*

Game Club

Instructor: Karen Mandernach

Day: Thursday

Grade level(s): K-2

Minimum Participants: 8

Maximum participants: 12

Mrs. Mandernachs classroom

Description: *The game is on! Each Wednesday, we will gather together with our friends and play various board/card games. The games played will develop our problem solving and critical thinking skills. We will also emphasize the value of teamwork and good sportsmanship. You certainly won't get into Trouble or be Sorry if you join this after school enrichment club. Hope to see you there!*

Bricks 4 Kidz

Instructor: Paula Gray-Dietz

Day: Wednesday

Grade Levels: K-5

Minimum Participants: 10

Maximum Participants: 20

Description: *Bricks 4 Kidz offers a project-based after school program designed to teach basic principles of engineering, mechanics and architecture using LEGO technic and basic bricks. Students build and design simple machines that shake, rattle, spin and roll. We believe that children learn best when doing activities that they love. Learning through play with LEGO bricks is our way! Students create a new project each week. Come build with us!*

Drama Club

Instructor: Brenda Fronseca

Day: Thursday

Grade levels: 5-8th

Minimum Participants: 20

Maximum Participants: 25

Music Room

Description: *Drama clubs a fun and easy way to include your child into fine arts. It increases imagination, public speaking skills, and become friends with other students who shares the same interests. This club is run by two 8th grade students, Adrian Phelps and Mars Fonseca. The play we have selected is 'Snow White and the 7 Dwarfs.' Alongside acting, your child can be a part of stage crew if they choose.*

Ukulele Club

Instructor: Tenea Fabray

Maximum 20

Grades 3-5 will meet Tuesdays

Grades 6-8 will meet Wednesdays

Music Room

Description: *Students will be learning all about Ukulele! The history of the instrument, different kinds of ukuleles, and how to play chords and read ukulele music! This will result in at least one performance during the trimester.*

Dungeons and Dragons Club

Instructor: John Clark

Day: Monday

Grade levels: 6th-8th

Maximum Participants: 7

Teacher work room

Description: *Learn the basics of Dungeons and Dragons, the world's most popular tabletop roleplaying game. Students will expand their creativity by designing compelling characters, interesting conflicts, and fantastic worlds by collaborating with peers. They will also practice teamwork and creative problem-solving by working on puzzles and defeating enemies with a team of friends.*

Project Friendship Bracelet

Instructor: Jen Havemann

Day: Friday

Grade Level(s): 2-8 (Students in grades 6-8 will serve a leadership role).

Minimum Participants: 7

Maximum Participants: 18

Description: *As a friendship bracelet entrepreneur from a young age, seeing the trend come back in style means it's time for a Friendship Bracelet Club! We will make a variety of common bracelet types both for friends and with the hopes of selling some before and after school to earn money either for new materials or for a good cause. With the complex world our children are navigating we will also have many teambuilding, positive self-image activities.*
